

FS-FLEX280

PRO+ Full Body Harness:
1D, QC Chest, QC Legs

Features and Benefits

The PRO+ Harness is our all-steel premium harness, combining innovation with functionality. High-vis abrasion resistant green webbing and advanced technical padding, composed of moisture wicking linings and closed cell foam, combine all-day ease of use and extended product life. Models equipped with dorsal SRL link, corrosive resistant steel-plated D-ring, quick-connect buckles and aluminum torso adjusters. Offered in a variety of configurations.

Fall Arrest Attachment Point(s)

1 dorsal D-ring, 1 Dorsal Link
