

## REMOVABLE SHOULDER PAD

*Lightweight premium solution for all-day, ergonomic comfort – plus pads are bacteria resistant for added health and safety. Easy installation provides secure attachment to most full body harnesses.*

We understand that safety first includes comfort.

## REMOVABLE SHOULDER PAD

- **INCREASED COMFORT**  
Cover fully where you need it most under shoulder straps and back D-ring.
- **LIGHTWEIGHT**  
Add tons of comfort with just ounces of weight.
- **ERGONOMIC**  
Improve long-term health as well as daily comfort.
- **ANTI-BACTERIAL**  
Resist mold and bacteria with a solid interior that does not absorb moisture.
- **EASY ON**  
Save time with quick, simple installation that stays securely attached all day.
- **DURABLE**  
Wear and launder as needed for long-lasting use.
- **VERSATILE**  
Upgrade your existing gear or replace worn out pads. Fits most full body harnesses.
