# NOT JUST TOUGH, IRON WORKER TOUGH

This harness has been upgraded to meet the demanding needs of iron workers, redesigned with a fit that meets the constant lifting and bending needs of the trade plus updates for extra durability when carrying a heavy load.

- **SECURE FIT:** Designed to stay put for workers on the move:
  - Special tongue buckle adjuster eliminates loose torso straps
  - Elastic keeper slides over torso buckle for secure hold
  - Fixed dorsal D-ring keeps SRL in its proper place all day
- **ADDED DURABILITY:** Reinforced shoulder pad adds strength exactly where it's needed for longer-lasting performance
- **PRO+ COMFORT:** Improved leg construction with removable pads and fixed waist pad for trusted, professional comfort
- **EXTRAS:** Comes with smaller chest slides for easier lanyard parking, a convenient dorsal SRL link, side positioning D-rings, quick-connect chest and tongue buckle legs
