EXACTLY WHEN YOU NEED IT

QUICKBUY

We understand that fall protection equipment must be on-site to do its job. High inventory levels, efficient plant operations and investments in advanced ERP, EDI and warehouse technology combined with obsessive shipment tracking enable the vast majority of in-stock products to ship same or next day.

QuickBuy service includes:

- Estimators who provide definitive, honest lead times
- Same day email confirmation with tracking
- Dedicated, readily available customer support team

Email order@safewaze.com or call customer service at 800-230-0319 with shipping questions.

** Same day for orders placed by 2:30 est*
