

QUICK*CONSULT*

Consultation (on-site or virtual)
within 3 days to assess needs

QUICKCONSULT

Securing the right fall protection equipment requires understanding the hazards specific to each site. Safewaze experts combine literally decades of experience focused on saving and protecting the lives of workers.

QuickConsult service includes:

- On-site or virtual consultation* from a qualified fall protection professional within 3 business days
- Detailed site-specific recommendations on hazard mitigation, training needs, fall protection requirements and appropriate product solutions with delivery timeline
- Optional Safewaze internal **Assessment Guide**⁺ and **Report**⁺ to assist with large scope requests

Contact your regional sales manager directly to schedule a consultation.

⁺ Supporting documents available by request

THE PROCESS

QUICK**CONSULT**

Questions	<ul style="list-style-type: none">• What hazards exist at this site?• How can I solve the hazard?	<ul style="list-style-type: none">• When, who and how of visit?• How long will it take?• What information is needed?	<ul style="list-style-type: none">• Is it custom or off-the-shelf?• Will they try to sell me more than I need?
Concerns	<ul style="list-style-type: none">• Quickly finding reliable partner• Trust partner to advise, educate and recommend	<ul style="list-style-type: none">• Availability for scheduling• Virtual or on-site• Disruption of visit	<ul style="list-style-type: none">• Timeliness of feedback• Ability to understand• Value of information
