safewaze.com

REPAIR SERVICE

Units sent to Safewaze will be thoroughly inspected, serviced, and calibrated to factory specifications.

SERVICE WARRANTY

Your unit is calibrated to factory specifications and is warranted from defects and workmanship for a period of 90 days. Misuse or abuse of unit during that period will not be covered under this warranty.

REPAIR INSTRUCTIONS

Fill out Repair Request Form – (End-users please contact your distributor before sending in units)

No units will be inspected if **Purchase Order** from authorized distributor is not included authorizing repair for **Lifeline Assembly Replacement**. If repairs exceed this level of service, we will contact you before repairs are done.

A **\$60 inspection fee** will apply per unit if customer chooses not to repair.
