

# SAFEWAZE

## REPAIRS MADE EASY

### START WITH THE DISTRIBUTOR

Only the company who purchased the SRL from Safewaze can initiate the repair process.

#### 1 **REPAIR REQUEST FORM**

The distributor will complete the repair form and include a purchase order number for authorization.

#### 2 **SHIPPING**

The distributor will send the SRL and completed form to the Safewaze Repair Department.

#### 3 **INSPECTION**

Our Repair Department will inspect the SRL. An inspection fee will apply if user chooses not to make repairs.

#### 4 **QUOTE**

A repair quote will be sent to the contact person listed on the form.

#### 5 **REPAIR & RETURN**

Once Safewaze receives approval, our technicians will begin the authorized repair. The SRL will be shipped back to the distributor unless noted on the repair form. *Shipping charges may apply.*

### FINISH WITH CONFIDENCE

Your SRL is now ready to return to service! Certified service and repair from Safewaze provides complete confidence to put your workers back on the job with equipment they can trust.

### Why Repair Your SRL?

- **SAVE MONEY:**  
Repair is significantly less expensive than buying a new unit, often up to 50% savings.
- **MINIMIZE DOWNTIME:**  
Safewaze completes service quickly to keep your equipment – and your workers – on the job.
- **STAY SAFE:**  
Repairs completed by certified service centers maintain the equipment's integrity, ensuring it's as dependable as when it was new.
- **STAY COMPLIANT:**  
Completed work is rigorously tested to ensure your SRL adheres to all applicable OSHA and ANSI standards.
