PRODUCT LINE SPOTLIGHT

NOW IN
BOTH
6' AND 11'
LENGTHS

LATITUDE LINE EXPANSION

Now available in the original 6' length and the new 11' option

CLASS
1

Anchor at or above
dorsal D-ring

New 11' length combines extended reach with lightweight performance, offering reliable protection for workers needing added mobility. Built for everyday jobsite demands, the 11' option is an ideal choice when flexibility and distance are required, without sacrificing comfort.

11' length -- almost TWICE the reach,
only 30% larger housing

» **Minimize Fall Distance**
Quick-activating locking system

» **Move Freely**
360/180° swivel offers full range of motion

» **Work Confidently**
High-strength, lightweight webbing

» **Reach Further**
New 11' length increases efficiency with greater range

OPTIONS FOR EVERY JOBSITE

All the performance of the Latitude SRL line, now with more choices to match your working environment.
