

Fall Protection Competent Person Trainer Course

This Competent Person Trainer course is designed for someone who will be delivering in house Authorized Person fall protection training. The course will provide students with the knowledge to identify existing and potential hazards and the means to mitigate them, plus equip students with both classroom and practical techniques to teach the course material.

Topics covered:

- Fall hazard elimination and control measures
- Applicable fall protection regulations
- Fall hazard surveys and fall protection procedures
- Responsibilities of designated persons under the standards
- Detailed inspection and care of equipment components and systems
- Fall protection system assessments to determine when a system is unsafe
- Fall protection rescue with extensive hands-on practice in various scenarios
- Developing lesson plans and understanding learning objectives
- Skills in adult education methods

This course includes classroom and hands-on activities with both a written and practical exam. Upon successful completion, each student will receive a certificate and wallet card acknowledging completion of Competent Person Trainer training that meets and exceeds OSHA and ANSI requirements. Participants also receive program instruction materials.

Cost Per Student: \$1,895

Course Length: 4 Days (32 Hours)

Course Hours: 8am-4:30pm

Lunch Provided Each Day

Course Location: Safewaze Academy, 225 Wilshire Ave, SW Concord, NC 28025

Participants are required to wear long pants and stiff-soled shoes for the hands-on activities. Participants are also encouraged to bring their own gloves.
